From
the
Pastor's
Heart

"I thank my God upon every remembrance of you.

Philippians 1:3 (KJV)

"A very special thank you to all who made the Pastor Appreciation Potluck go so well. Thank you for all the cards, the money tree, the great food and the fellowship. It was sweet of you to do that for me.

Also a big thank you to everyone for making the associational meeting here at our church such a success. The building looked great, the food was phenomenal and the service was spectacular. There were several comments on how great it was and your pastor appreciates your hard work. Thanks to those who led worship, greeted, served, cooked, cleaned and smiled for all our guests.

Finally, thank you for your love, prayers and support. Being your pastor is a blessing because of the great folks you are.

Thank you for everything,

Bro. Gary

THANKS SO MUCH!

I just wanted to just take the time to write you all as a church body and say thanks! Not just for pastor appreciation but also for the fact that you all have been willing to walk this ministry with me over these past 3 ½ years. We have had our good times and our rough times, times of sadness and times of joy, times of celebration and times of discipline, but all in all I would have to say that this time together has been amazing.

As a lone Texas boy coming into a northern Arkansas town, the transition was tough and quite lonely. However ya'll made me feel welcome and feel like one of the family! So thank you again so much for that! Thank you all for the cookies, food, fellowship, laughter, tears and believing in me. You have trusted me with your children and youth and that is something that is not easy to do! Without that trust I would not still be here today doing ministry.

I have been made a part of this community because of ya'll, and for that I have the deepest thanks and gratitude! You see we just had pastor appreciation Sunday and the funny thing is I believe I appreciate ya'll so much more than you realize. The reason is that without you I would not be here! So Thanks again once more for an amazing 3.5 years and I look forward to many more!
